1	Hand motion controlled pick and place robotic arm	14,000/-
2	Joystick operated pick and place robotic arm	9,800/-
3	Remote Controlled Pick & Place Robot	11,000/- to 8,900/-
4	Android Controlled Pick And Place Robotic Arm	11,800/-
5	Cell Phone Controlled Pick and Place Robot	11,800/-
6	Object sorting system using robotic arm	15,600/-
7	Object sorting machine with conveyor belt system	8,300/-
9	Automatic reverse braking with distance indicator	6,700/-
10	Collision-free car	8,600/-
11	Automatic Dipper for vehicles	5,700/-
12	GPS based active fleet management – automated vehicle tracking	15,300/-
13	Anti collision system for trains	8,650/-
14	GPS based land mapping gps based land mapping project	7,890/-
15	Army bomb defuser robot	9,990/-
16	Army Robot with Machine Gun	10,500/-
17	Army anti-tank robot	12,300/-
18	Army drone	16,000/-

19	GSM Remote Water Pump Controller for agriculture pump	9,890/-
20	Environment monitoring and control of a polyhouse farming	7,800/-
21		
22	Notice Board using GSM	8,300/-
23	Notice Board using Bluetooth	7,700/-
24	Notice Board using Web	9,400/-
25	Notice Board using Key board	7,850/-
26	Biometric fingerprint identification based security system.	10,500/-
27	Biometric fingerprint identification based access control system.	10,800/-
28	Biometric fingerprint identification based bank locker security system	11,500/-
29	Monitoring of time and attendance with fingerprint biometric solution	15,200/-
30	Fingerprint identification based security system for bank locker	13,000/-
31	Speech Controlled Home Automation	13,800/-
32	Home automation project using bluetooth (Anroid Phone)	7,800/-
33	lot based home automation using raspberry pi	13,880/-
34	lot based home automation using arduino	10,880/-
35	Arduino Home Automation Using RF	6,800/-
36	Arduino Home Automation Using IR	5,500/-

37	Home automation project using gsm	8,990/-
38	GSM Remote Water Pump Controller for agriculture pump	9,890/-
39	Environment monitoring and control of a polyhouse farming	16,080/-
40	GSM based weather station	9,800/- to 10,800/-
41	RF based weather station	7,720/- to 8,720/-
42	Transformer Monitoring System RF based	8,870/-
43	Automatic MSEB meter reading vehicle	9,400/-
44	GSM based Earth fault detector	8,750/-
45	RF based bus arrival system	7,890/-
